

Rory Block

Ain't Nobody Worried

Release Date: October 7, 2022

Rory Block is a Gold-album selling and 7-time Blues Music Award winner, widely regarded as the top female performer of traditional country-blues worldwide. Rory's commitment as a blues preservationist with an ear for finding the soul of every song she performs has rewarded her with accolades from the blues and roots music community.

Ain't Nobody Worried is a tribute to some of the most iconic female soul & R&B artists of that ruled radio waves from the past five decades. Rory's new arrangements of chart topping hits originally performed by such icons as Gladys Knight, Mavis Staples and Koko Taylor, as well as contemporary artists as Tracy Chapman and Bonnie Raitt bring new life to the songs and is a tribute to the original performers. Rory plays all guitars, percussion and vocals on the album.
