

George Carlin

Killer Carlin

Classic Carlin - his FIRST EVER recording from 1960!

George Carlin's 1st ever recording from 1960; originally issued in 1963 and reissued in 1995. Carlin's incredible wit and sardonic mastery of the stage/language are in evidence here. Teamed with his original partner, Jack Burns, this title was originally issued as "Burns & Carlin at the Playboy Club Tonight" and features a tribute to Lenny Bruce as well as the seeds of Carlin's later comedy successes.
