

Manalive! - Heart, Hands And Mind

12 tracks that bring the early 90s East Bay punk sound back to life!

DESCRIPTION

Manalive! rode the wave of the early 2000 punk scene. Gaining respect with promoters and clubs early on in the game. With extensive show dates with bands like American Steel, Planes Mistaken For Stars, Dillinger Four, Left Over Crack, Alkaline Trio and Lawrence Arms.. Manalive! injected the much needed venom in the scene, that was slowly being shadowed by the bubble gum pop that mainstream radio spilled over. Think Op Ivy meets Crimpshrine or Leatherface vs. Rancid!
