

FIFTY CALIBER KISS

ARMOR CLASS INVINCIBLE

Iron Maiden meets **Pantera**... yes, Metal is back! And Fifty Caliber Kiss have entered the stage to rival the faux cash cow bands that have taken the spot light in the past year and a half. Hailing from a Reading PA, ranking in w/ a higher murder rate per Capita than Los Angeles, this band owns the stage and has attitude. Scoring immediate respect w/ labels and promoters, and an audio feature in a Dave Perwitz DVD (as seen in Biker Build off on **Discovery Channel**) Their debut CD features an enhanced video starring a pack of Gods Girls. Strip Tease meets Slasher flick, Fifty Caliber Kiss takes the aesthetic of a Hollywood Murder and mixes it to an East Coast style metal sound track. Dirty, Hot, Dangerous and Haunting.
