

Commander Cody and his Modern Day Airmen

Live From The Island

Guests guitarist **Bill Kirchen** &
Hammond Organ Professor **Louie**

LIVE FROM THE ISLAND – new CD by The Boogie Woogie Piano Master **COMMANDER CODY**. Recorded live from **COMMANDER CODY'S** hometown Bayshore, LI, NY.

This recording contains most of The Commander's **greatest hits**. Performed with new style & musical flair. Driven by **Commander's** fantastic Boogie Woogie piano.

Special guest appearance by original Airman guitarist **Bill Kirchen**. **Professor Louie's** exciting Hammond Organ, long time guitarist **Mark Emerick** leading *The Charge!* This CD is a *must have* for Commander Cody fans. The driving rhythm section of Steve Barbuto & Randy Bramwell with Miss Marie adding high spirited background vocals. **The Commander's** delivery has never sounded better. New exciting arrangements bring *modern day* treatment to **Commander Cody's** favorite songs. - **a great party collection ... too much fun!**
